This research programme was carried out by the Friends of Purton in collaboration with The Gloucestershire County Archive, Alvin Street, Gloucester.

## **ACKNOWLEDGEMENTS**

The Friends of Purton would like to thank all who took part in the project with specific thanks being made to Sally Ann Mayo for her many hours of typing and attention to detail.

We would also like thank Vicky Thorpe and her dedicated team at Gloucestershire Archive, without whom this project would have been impossible to orchestrate.

Finally my sincere thanks are offered to Hugh Conway Jones a fine researcher, author and personal friend, who has continued to offer his help, support and guidance whilst issuing encouragement and inspiration to finish this worthwhile project.
