

M5 Junction 20.

Follow Ettlingen Way from Motorway roundabout in the righthand lane. (Left lane is for turning left only)

Next roundabout go round and take 2nd exit B3133

Next mini roundabout turn right (taking the 3rd exit)

Follow B3133 toward Clevedon town centre / Triangle

At the triangle pass the clock tower with the clock on your right then the road turns right.

Then pass a few shops and take the next sharp left up a hill. You will pass the Bristol Inn which is set back from the road on your right.

Continue following the road up the hill past Christchurch. There is a high stone wall on your right hand side surrounding the Church.

A kitchen and bathroom shop will then be on your right called HARRY POWELL. At this point you have the Clevedon Bowling Green on your left behind the wall. Turn next left. (Opposite Harry Powell shop) into Princes Road. Princes road is split in 2 halves by Linden road.

The word church of 'Christchurch' shown on the map covers the bowling green area.

The drive down into the Bowling Green car park is directly opposite the drive to our property.

Please don't attempt to drive down the drive until we have checked out both cars for width as the drive width is restricted by 2 stone walls.

Park across the drive of 39 Princes road to unload.

Postcode is BS21 7NQ

Telephone number at the flat is 01275341617

My mob phone no is 07523658080

After unloading I suggest going further down Princes road. Turn left into lower Linden Road for parking it is much wider.
